

Airserv Ltd.

HVAC Technicians

GSC Limited, a dynamic mechanical contracting and service company is looking for HVAC Technicians. The successful candidates will:

- Have completed an internationally recognized apprenticeship with a further 5 years field experience.
- Proven track record installing, servicing and maintaining chilled water VRV & conventional DX air conditioning systems
- Committed to the training and mentoring of other technical team members.
- The ability to manage existing accounts and to grow our overall business.
- Committed to excellence, quality and providing our clients with value based on service.

GSC employs a small group of highly effective people who form a single unit committed to the success of the entire team. Only those with similar values need apply.
