DIRECTOR OF SALES

Gateway Systems Limited require a Director of Sales to assist in the expansion of our current client base.

This is a key position for the company and the successful applicant must have proven experience in Account and Project Management in a similar environment with emphasis on technical solutions and service delivery. Sound knowledge, with certification, of Microsoft Licensing is essential as we currently work with the majority of the licensing agreements on the island.

This senior position deals with all aspects of our business and technical knowledge of SMART Technologies products is essential as is working knowledge of Bang and Olufsen equipment. This person will report directly to the Managing Director, our Vendors and liaise closely with all other departments to Ensure we deliver high level Information Communications Technology (ICT) results to our clients.

Gateway is one of the leading suppliers of ICT software, education and technical services in Bermuda and as a Microsoft Gold Certified Partner, Gateway can provide the successful applicant with on-going training in the Information Communications Technology field.

The company offers a very competitive performance based compensation and benefits package.

Applications, in writing only, and accompanied by a resume and references should be forwarded to:

email: jkyle@gateway.bm

or write to: Human Resources
