

Our client - MS Frontier Re - invites applications for the position of *Group Actuary*

Our client... **MS Frontier Reinsurance Limited** is a reinsurance company domiciled in Bermuda, specializing in Property Reinsurance on a global basis.

MS Frontier Re is a member of MS&AD Insurance group, one of the strongest general insurance groups in the world. Due to its continued success, the company wishes to employ a Group Actuary.

Key roles and responsibilities will include, but not limited to:

- Review pricing, methodology and reserving across all lines of business;
- Liaise with external Actuaries and modeling companies;
- Prepare appropriate loss reserves estimates for presentation to senior management;
- Prepare and maintain documentation relating to reserving and pricing guidelines;
- Oversee the implementation of the Company's Internal model;

- Work closely with Finance team on the requirements for statutory financial reporting; and
- Work on special projects as required within the Group.

Reporting to the Chief Financial Officer the role of Group Actuary is a challenging position requiring operational skills, as well as relevant experience. The successful candidate will need to demonstrate the following required skills and experience:

- Educated to degree level;
- Internationally recognized actuarial qualification is required;
- Minimum 7 years experience in (re)insurance environment;
- Knowledge of North American and International markets is required;
- Experience of catastrophe models required;
- Working knowledge of the requirements of Solvency II would be an asset;
- Proficient in the use of Microsoft office products;

- Excellent problem solving skills and attention to detail; and
- Willingness to work extended hours and undertake extensive business travel.
