CONSTRUCTION LTD. ...we build dreams!

## **Financial Controller**

We are looking for an experienced, detail-oriented, and self-motivated Financial Controller. The applicant must possess strong analytical skills and have the ability to take full ownership of the financial responsibilities of the Company.

### **As a Financial Controller your responsibilities include, but are not limited to:**

- Timely preparation of the Company's monthly and annual financial statement
- Monthly management reporting
- General responsibility for the company's budgeting and variance analysis processes
- Management of the company's daily expenses, payroll, accounts receivables, and account payables
- Product costing, pricing, and billing
- Custom clearance
- Maintaining a strong banking relationship
- Handling company debt collection and credit control to ensure outstanding debt is reviewed and collected
- Performing ad-hoc reports, other related works and projects as assigned

### **Candidates for this position should possess:**

- A minimum of seven (7) years' post graduate experience, of which at least three (3) years in senior management level.
- Financial/ management accounts/credit control experience particularly in a construction company
- A Bachelor's Degree from an accredited college or university in Accounting and must hold a professional designation as Chartered Accountant (CA) or Certified Public Accountant (CPA)
- Excellent communication and strong management skills
- Computer literacy and proficiency in Microsoft Office, advance knowledge in Excel/Spreadsheets and Quick Books/POS System
- The ability to work and maintain composure under pressure while meeting multiple deadlines with limited or no supervision
- Excellent people skills and a hands on working ethic
- Willingness to work overtime and outside normal working hours as required

If you believe you have the skills and experience for this demanding position, please apply in writing with your current *curriculum vitae* to the attention of the Director:
