

BAS-Serco Limited, a Bermudian joint venture company offering Facility Management and general outsourcing services, is seeking applicants for:

Master Electrician

The Master Electrician reports to the Vice President, Aviation & Corporate Assurance and is responsible for the installation, maintenance and repair of electrical equipment and systems at Bermuda International Airport and for the supervision of electricians and electrician apprentices. The systems include the airport ground lighting system and electrical systems associated with airport buildings. This position requires working in confined spaces and at heights. The successful candidate will ideally possess:

- Certification as a master electrician by National Electric Code (NEC) or Canadian Electrical Code (CEC) and possess NTB certification. Applicants having comparable certifications will be considered.
- A minimum 5 years of practical experience in a position of similar responsibility.
- A detailed knowledge of applicable codes of practice, and be able to interpret blue prints, electrical wiring and control system schematics, and manufacturers' literature.
- The ability to obtain estimates and supervise subcontractors.
- A valid Bermuda Driver's License endorsed for heavy trucks, and the ability to operate an aerial lift platform.
- The ability to obtain a Department of Airport Operations Restricted Airside Pass and an Airport Vehicle Operator's Permit.
- Be willing to undergo any necessary training overseas.
- Be competent in the use of the MS Office suite of software.

Additionally, the individual must be a team player, have excellent supervisory and communication skills, be self-motivated, capable of working without supervision and possess integrity. The individual must also be willing to train and develop others. This position requires work on some public holidays and weekends, and 24/7 response on a call-out basis.

Applicants will be required to provide suitable references and will undergo skills and aptitude testing as a part of the interview process. BAS-Serco advocates a drug-free workplace, therefore the successful applicant will be included in the company's drug screening programme.

In return, the company offers an attractive salary and benefits package. If you are interested in the position, please send a résumé, under a covering letter highlighting how you match our criteria, by e-mail to jsapsford@bas-serco.bm or by mail to BAS-Serco Limited, P.O. Box 123, St. George's, GE BX. All applications will be treated in strictest confidence. Applications must be received by the close of business, Friday 25th January 2013.

BAS-Serco – At the leading edge of outsourcing in Bermuda
