

# **J&W CONSTRUCTION**

## **Qualified Masons**

We require the services of Qualified Masons with a minimum of 5 years experience. Proficiency in all aspects of masonry is a necessity, especially in the placement of structural concrete slabs. Applicants must have excellent time-keeping skills and be prepared to work overtime, weekends and, if necessary, public holidays to meet tight deadlines.

Interested persons should apply in writing with proof of prior work experience from 2 previous employers and mail to:

**THE MANAGER**

**J&W Construction, P.O. Box HM 3371, Hamilton PM PX**

**Closing Date: 20 February 2013**
