

The Lone Star Funds (“Lone Star”) are closed-end private equity limited partnerships whose investors include corporate and public pension funds, university endowments, foundations, sovereign wealth funds, and fund of funds. Since 1995, the principals of Lone Star have organized private equity funds totaling approximately \$33 billion of capital that has been invested globally through Lone Star's worldwide network of affiliated offices. One of Lone Star's affiliated entities owns a portfolio of performing and sub-performing German loans, and is looking to appoint a Senior Asset Manager to be located in Bermuda.

SENIOR ASSET MANAGER

The successful candidate will have responsibility for ongoing monitoring of the performance of the portfolio, evaluation of exit strategies for loan engagements, and serving as the principal contact for the German asset servicer with respect to the portfolio under management.

Primary responsibilities will include:

- Evaluating the performance of the portfolio.
- Reviewing and evaluating draft business plans with respect to the portfolio that are submitted for consideration by the German asset servicer.
- Evaluating all other proposals from the German asset servicer relating to the portfolio.
- Corresponding with German asset servicer on matters relating to the servicing of the portfolio.
- Corresponding with company's bank group in connection with the financing by the bank group of the portfolio.
- Supporting the Board of Directors of the Company in all matters requested.

The ideal candidate will have successfully finished business studies (BA, MBA) or legal studies (JD or LLM) or will have completed a bank traineeship with extra qualifications and will have approximately 5 years of work experience. Experience in asset management of loans secured by German real estate and financing in the German real estate market is required. Experience in corporate finance and/or investment banking would be beneficial. We are looking for candidates who have excellent interpersonal and organization skills, and are comfortable working on many matters simultaneously in a fast-paced and entrepreneurial environment. Candidates must also have excellent German and English reading and writing skills.

Candidates should submit their applications to:
