

## **Request for Proposal –Operations and Maintenance Contractor for new Aquatics Centre**

The Trustees of the National Sports Centre (NSC) are seeking proposals from suitably qualified Operations and Maintenance (O & M) service providers to manage and oversee the operations at the new NSC swimming pool. The contract will commence mid-April 2013.

The successful O&M Contractor will be required to provide NSC all related labour, supervision, and any incidentals necessary for swimming pool maintenance service and all related services as pre-determined on a scheduled basis per equipment and operating specifications. The successful Contractor will be required to provide scheduled operations and maintenance service for the pool during the busier peak operating spring, summer and fall months and support services during non-opening months.

This summer the swimming pool will play host to numerous events including a grand opening event, a BASA swim meet and the Island Games.

Eligibility criteria:

- The Contractor must demonstrate experience and a clear track record in the areas of operations and maintenance in delivering services of somewhat comparable in size and scope to the pool (minimum of 250,000 gallon pool)
- The Contractor must have a sufficient number of qualified staff in the applicable disciplines to complete the work in the time required and in accordance with Florida statutes and standards (or other agreed upon jurisdiction). NSC will provide Certified Pool Operator training in April
- Verification of IT equipment maintenance within similar facilities

RFP documents will be available for collection effective February 26th 2013 from Stadium Cottage National Sports Centre, 50 Frog Lane Devonshire DV 01, or you can request a document to be forwarded via email. Please contact [aquatics@nsc.bm](mailto:aquatics@nsc.bm) to request the RFP document.

Viewing of the Aquatics Centre and themechanical space will be conducted on Monday 4th March from 1 PM thru 3 PM

**The deadline for submissions is Friday, 15th March 2013**
