

# Equipment Operator/Mechanic

We are currently seeking individuals interested in the above position on behalf of our client, **Invisible Trenching Bermuda Ltd**

## **APPLICANTS SHOULD BE ABLE TO:**

- Operate a range of equipment from trenching machines, bobcats, excavators to mechanical sweepers
- Perform daily maintenance service, electrical diagnostic and repair work on equipment
- Overhaul heavy equipment and rebuild heavy engines, gearboxes etc.
- Assist with laying of pipe and backfilling trenches

## **KNOWLEDGE AND EXPERIENCE:**

- Excellent working knowledge of diesel and gasoline engines and electro-hydraulic systems
- Welding proficiency; including gas, electric and m.i.g. cutting both gas and plasma
- Minimum five years experience in similar position is required
- Valid heavy truck license preferred

Applicants will be required to have their own transportation and must be good timekeepers. Must be willing to complete evening and weekend work as required.

Due to the safety sensitive nature of the work, qualified candidates should be prepared to complete a pre-employment drug test as part of the application process.

## **Interested applicants should apply in writing to:**

Ontru: Human Resources – Invisible Trenching  
9 Par-la-Ville Road (3rd floor), Hamilton HM 11  
or e-mail: [ontru@northrock.bm](mailto:ontru@northrock.bm)

All applications must be received **no later than April 2, 2013**
