

Aircraft Mechanic

Longtail Aviation International Limited seeks an Aircraft Mechanic to join Bermuda's only airline company. The successful candidate would be expected to work unsociable hours, including nights, weekends and holidays, to maintain the company's aircraft.

The successful candidate must have the following qualifications:-

- Minimum of 10 years experience on Falcon 50 or Falcon 900 required;
- Training Certificates for Falcon 900 experience required;
- College degree preferred;
- Salary commensurate with experience.

The following would be a distinct asset:-

- Management qualifications and experience;
- Excellent verbal and writing skills;
- Computer skills.

By its nature this job will require unsociable hours and time spent away from Bermuda.

Longtail Aviation International Limited is an equal opportunity employer and will provide a competitive compensation package based on experience.

Interested candidates are encouraged to send their resume via email to the attention of Human Resources at dreiss@ibl.bm

The application deadline is April 12, 2013.
