

**BERMUDA GOVERNMENT - DEFENCE DEPARTMENT
REGISTRATION FOR MILITARY SERVICE**

The persons whose names are listed below are required to Register for Military Service under the provisions of Section 13 and 13A of the Defence Act, 1965. All those person listed were born between September 1994 and July 1995 and to date, they have failed to or need to register as is required under the provisions of section 13 and 13A of the Defence Act, 1965.

Under the provisions of the Defence Act 1965 [Section 13 and 13A] as read with Governor's Orders 1993, all Bermudian males on attaining the age of eighteen [18] are required to report, forthwith, during ordinary working hours either to a Police Station or to the Defence Department at Warwick Camp and give their names and current addresses and contact information as required on the [green] military registration form.

All Bermudian males, aged eighteen [18] years and over who have not previously registered for military service are required to do so at any Police Station or at the Defence Department at Warwick Camp.

Failure to register constitutes an offence under the Defence Act 1965.

The act of registration for military service is separate from the act of being called-up for military service. The act of registering for military service does not mean that the person registering for service will, necessarily, be called-up for service. Registration results only in that person's name being placed in the ballot for military service. The ballot for military service takes place in September with actual military service commencing in the following January Recruit Camp.

For the convenience of students, registration forms have also been made available at the following places of education: Bermuda Institute – Warwick Academy – Mount Saint Agnes Academy – Saltus Grammar School – The Bermuda College.

For convenience, Registration forms may also be filled in and left at all Post Offices and sub-Post Offices. Receipts will be mailed, later, to persons who register.
