

Stafford Flooring Limited is looking for Specialized Thermo Formed Wall Panel Installers. Applicants must have the following:

- At least five years' experience and / or manufacturer training in the installation of site installed, thermo formed wall paneling systems.
- A thorough and demonstrable knowledge of heat welded seam installation (a demonstration may be required).
- All applicants will be required to carry out planning and layout duties, installation and site / project coordination where required. Hours will be dictated by project requirements but will likely include weekends, evenings and public holidays. All candidates must have the ability to communicate effectively with both site personnel and clients.
- Punctuality and the ability to work to strict deadlines whilst maintaining work quality is essential.
