

Custodian/cleaner

We are seeking the services of a full time custodian (cleaner). The successful applicant must be experienced in all areas of custodial work with a working knowledge of cleaning products and equipment.

- must be reliable, responsible and willing to work on weekends and evenings when required.
- will assume responsibility for all the cleaning of the facility, which will include but not be limited to the training of other custodial staff, floor stripping and waxing, power washing walls and walkways, carpet cleaning, restroom cleaning and all other general cleaning tasks both inside and outside the building.
- must have knowledge of OSCA guidelines when dealing with blood related body fluids.
- must be willing to perform other duties as assigned by the Facilities Manager.
- pre-employment substance abuse screening is mandatory for all successful candidates and will be required at random intervals throughout employment at this institution.

Only Bermudians &/or spouses of Bermudians or Permanent Residency Holders need apply.

Applications in writing with two professional references to:
