REQUEST FOR PROPOSAL (RFP)

Streetlighting Maintenance Services

Government of Bermuda

The Ministry of Public Works (“Ministry”) is requesting the services of a qualified electrical contracting firm to provide streetlighting maintenance services, including: administrative reporting/response services; web based geographical information system (GIS) services; routine streetlight maintenance, inspections, and repairs; emergency repairs; new equipment upgrade and installation work; and ad hoc electrical work. The Ministry’s current streetlighting infrastructure includes approximately 4,000 cobra-head type streetlights with either 70W or 150W high pressure sodium lamp sources.

Full details and RFP documents may be obtained by request via email to the address below or in person at the Ministry of Public Work’s reception desk on the third floor of the General Post Office Building, 56 Church Street, Hamilton during regular business hours from **23 May 2013 to 13 June 2013 inclusive**. Completed tenders must be returned *no later than 3:00 pm on Thursday, 13 June 2013*. *Late submissions will not be considered.*

Interested parties that require any additional information may contact Lori Polukoshko at 298-6371 or e-mail lpolukoshko@gov.bm.
