

## Executive Recruiter

Acumen Ltd. is seeking to fill the post of Executive Recruiter. The successful applicant will further develop the company's executive recruitment business and provide HR support to local and exempt company clients and have the ability to be self-motivated and to build effective working relationships with new and existing clients.

### **Experience required:**

- Proven track record operating as a recruiter in the financial services industry with at least four years proven experience, ideally in Bermuda;
- A bachelor's degree from an accredited University;
- Knowledge of Bermuda Immigration Policy;
- Demonstrate experience of operating and building relationships at board level;
- Experience in recruitment business development;
- Internationally recognized HR qualification;
- A thorough and demonstrable grounding in recruitment research and analysis;
- Ability to communicate through all media and at all levels of management, including experience negotiating on client projects.

*If you are interested in the position, please send curriculum vitae and references via email to: [info@acumen.bm](mailto:info@acumen.bm)*

***Closing Date: June 10, 2013***
