

**SYSTEM DEVELOPERS**

---

**COMPANY DETAILS:**

Orbis Investment Management Limited is a Bermuda-based investment company managing long-only equity, absolute return and balanced funds. Orbis strives to attract talented individuals who have demonstrated an ability to excel.

---

**ROLE & RESPONSIBILITIES:**

We are seeking intelligent, hardworking software developers to join our IT team based in Bermuda. As members of our expanding IT team, Systems Developers will be responsible for developing and maintaining Orbis' in-house proprietary technology platforms. Successful candidates will need to be confident integrating in-house systems with 3rd party financial service provider products and in designing and implementing robust and scalable software architectures.

**KEY STRENGTHS:**

A track record of excellence in either personal or professional endeavors. Accurate, with a keen attention to detail; Ability to quickly investigate, abstract and understand complex systems, including a thorough understanding of one or more object oriented programming languages, such as VB.Net and Java; Positive attitude, combined with an honest and trustworthy manner; Extremely self-motivated with demonstrated good judgment and methodical approach to problem solving; Excellent communication and organizational skills.

**TECHNICAL QUALIFICATIONS:**

Successful candidates will possess an excellent academic record and, at a minimum, a Bachelor's Degree from a reputable university in a Science or Engineering related discipline. A Master's Degree is considered a definite advantage. In addition candidates must possess demonstrable graduate level software development skills, in some or all of the following areas: SQL Server, VS.NET or object oriented programming. A minimum of five years of software development experience in the financial sector is required.

---

**SUBMISSION DETAILS:**

Applications will be dealt with in strict confidence and interested candidates should apply in writing or via email with a detailed résumé to:
