

BUSINESS ANALYST

COMPANY DETAILS:

Orbis Investment Management Limited is a Bermuda-based investment company managing long-only equity, absolute return and balanced funds. Orbis strives to attract talented individuals who have demonstrated an ability to excel.

ROLE & RESPONSIBILITIES:

The successful candidate will work closely with senior management dealing with projects primarily involving Orbis' clients. In depth analysis of major institutional client markets and Orbis' competitive positioning within those markets, including what clients need, is an illustration of what is expected in the role. This position also requires the successful candidate to see complex projects through to completion including playing a role in the day-to-day execution of some of the projects. Extensive demonstrable experience and expertise running complex market and industry analysis in the securities industry is required.

KEY STRENGTHS:

The successful candidate will be a team player, possess a positive attitude and be a self-starter. The successful candidate will have demonstrated good judgment, be able to think quickly and clearly and have excellent communication skills. Thoroughness and attention to detail are essential. Good problem solving skills and a strong interest in the financial markets is required.

QUALIFICATIONS:

The successful candidate will have an outstanding academic record from a reputable university (a 1st class/GPA3.5+ or equivalent degree in Economics, Finance or Commerce) and at a minimum a Master's degree. The candidate must be a high achiever and have experience executing at a high level.

SUBMISSION DETAILS:

Applications will be dealt with in strict confidence and interested candidates should apply in writing or via email with a detailed résumé to:

Orbis
