

Housekeeper/Cook/Child Caregiver

A busy household is looking for an individual who is meticulous about housekeeping, with excellent attention to detail and is able to cook and follow recipes written in English. The position also involves assisting with child care for 2 children and babysitting. The individual must be a competent and safe driver, a good swimmer, a non-smoker and hold a CPR/First Aid Certificate as well as being able to demonstrate experience with housekeeping, cooking and childcare and have very good references. The role is split shift and may be live in or live out. The successful applicant will be required to work evenings, week-ends and public holidays as required and travel with family.
