

# Program Manager/Addiction Counselor

Focus Counselling Services is a substance abuse facility and counseling agency; offering harm reduction, assessment and referrals, supportive residency, relapse prevention and aftercare services. Focus Counselling is seeking a certified Addiction Counselor for their Brief Residential Relapse Prevention program.

## Candidate will possess:

- IC&RC certification or equivalent
- Possess a Clinical Supervisor designation or have a minimum of 3 years clinical supervision experience
- Minimum of 5 years of addiction counseling experience
- Thorough knowledge of the 12 step program
- Thorough knowledge of the Grosiky Therapeutic Community model
- Trained facilitator of Genesis Process for relapse prevention
- Experience in developing and facilitating therapeutic groups
