

Reinsurance Analyst

Oil Casualty Insurance, Ltd., ("OCIL") a Bermuda based insurance and reinsurance company, seeks an experienced **Reinsurance Analyst** to oversee all aspects of OCIL's assumed and outward reinsurance placements. This is a new position reporting to the Senior Vice President & Chief Operating Officer of OCIL.

Responsibilities will include the following:

- Interact and conduct meetings with OCIL COO, and various internal departments.
- Assist in the creation of outward program submissions.
- Review bordereaux information to ensure accuracy and compliance with contract requirements.
- Maintain a register of all reinsurance program details.
- Monitor claims activity and coordinate claim payments and recoveries.
- Assist the COO and Chief Actuary in evaluating reinsurance programs, monitoring aggregation risk and risk tolerance levels.
- Liaise with reinsurance brokers/partners.
- Supervise and manage programs involving letters of credit, funds withheld and insurance trusts.
- Monitor the credit worthiness of reinsurers.
- Conduct on-site audits of assumed reinsurance partners.
- Prepare and produce management reports.

The successful applicant will have performed a similar role for at least two years and possess strong communication skills, be detail oriented and organized and able to work under minimal supervision. Strong analytical and problem solving skills are essential together with advanced knowledge of spreadsheets and database applications in a Microsoft environment. Applicants must possess the capability to communicate directly with our Fortune 500 clientele and the ability to present to management in a clear and concise manner.

If your experience, talents and ambitions match our requirements, we want to hear from you. OMSL is an equal opportunity employer and is committed to training and developing its employees.

Please apply in confidence and in writing, including your resume and a detailed cover letter setting out why you are a good fit for this role, by email to:
