

ACE Bermuda Insurance Ltd.
invites applications for the position of

Actuarial Analyst (Graduate Trainee)

ACE Bermuda invites applications for the position of Actuarial Analyst (Graduate Trainee). This is an exciting and challenging position for an individual interested in pursuing an actuarial career that will provide exposure to a diverse mix of insurance products and all functional aspects of the actuarial profession.

Reporting to the Chief Actuary, the successful candidate will be responsible for the following:

- Preparing the quarterly reserving data by line of business;
- Preparing the quarterly reserve presentations by line of business;
- Assisting with the quarterly claims report;
- Helping to liaise with Finance on all financial reporting;
- Assisting with updating pricing models for various lines of business;
- Preparing the monthly price monitoring and rate adequacy report;
- Assisting in the monthly and quarterly reporting requirements to ACE Limited;
- Preparing the portfolio analysis template by line of business;
- Assisting with the reinsurance purchasing process including preparation of data and assisting in the analysis for the reinsurance submission;
- Assisting with the annual planning process including the capital modeling by line of business;
- Helping with statutory filings;
- Special pricing and reserving projects that arise.

The successful applicant must possess the following:

- An undergraduate degree from an accredited university in math, actuarial science, or related field
- Commitment to obtaining an actuarial designation
- Proficient in Excel and Access and knowledge of Word
- Interest in programming languages, i.e. Visual Basic, SQL, etc.
- Knowledge of Igloo, @Risk, or other simulation software considered a plus
- Strong analytical, interpersonal and communication skills.

Deadline for receipt of applications: Friday, 9 August, 2013

Please apply with cover letter and resumé to:
