Longevity Actuary

Our client Hannover Life Reassurance Bermuda Ltd. (HLR Bermuda), a subsidiary of the Hannover Re Group, has been operating successfully in Bermuda since 2007. HLR Bermuda writes life and health reinsurance business in partnership with their clients around the world. This business is managed by their small team of reinsurance professionals based in Bermuda.

They are currently seeking to appoint a Longevity Actuary reporting to the Vice President - Longevity Trading. This is a pricing role as part of a small team, encompassing a very wide range of pricing and analytical work.

DUTIES AND RESPONSIBILITIES:

- Analysing experience to assist in pricing
- Come up with new analytical methods to predict mortality
- Set appropriate pricing bases for transactions
- Build and maintain efficient systems to keep the business slick and automated
- Has a significant client-facing dimension and involves travel
- Has significant autonomy
- Responsible for generating fresh ideas to continually improve the business

REQUIREMENTS:

- Nearly qualified or qualified Actuary
- Minimum of four years of life insurance/reinsurance experience specifically working with biometric risks
- A strong programming background and a passion for solving complex problems
- Experience of financial markets and pricing techniques
- Experience with statistical methods and a creative thinker
- Good written and verbal communication skills

HLR Bermuda is an equal opportunities employer.

Interested? Please email jobs@expertise.bm.

All enquires will be dealt with in strict confidence.

Closing date: August 9, 2013
