

NO. 635

2013-14 COMMERCIAL SPINY LOBSTER FISHERY

Fishermen interested in participating in the 2013-14 Commercial Spiny Lobster Fishery are invited to make application for any available places in the fishery. Applications and terms and conditions of the fishery are available from the Licensing Office of the Department of Environmental Protection located in the Botanical Gardens in Paget.

Applications will be available from Monday, August 5th 2013 and must be received at the Licensing Office by the 5:00 PM deadline on Monday, Aug. 12th 2013.

A lottery draw of eligible applicants will be used to determine new participants.
