

Our people are our competitive advantage.

At Butterfield, we pride ourselves on being approachable, disciplined and proactive. If you embody these qualities and have the necessary experience, you may be the one we're looking for.

Market Risk Liquidity Analyst

Group Market Risk

This position reports to the Group Head of Market Risk and is responsible for monitoring and reporting on liquidity levels Group-wide. In addition, the successful candidate will be responsible for the continued refinement, development and quality assurance of all liquidity-related reporting including the delivery of accurate and timely Committee and Board related reporting to Group Market Risk Management.

Your responsibilities will include:

- producing timely quality reporting related to Group-wide liquidity on a daily basis
- producing Committee and Board reporting related to liquidity tolerance and risk appetites
- developing and maintaining historical data and reporting solutions to enable liquidity trend analysis Group-wide
- leading liquidity reporting and technology initiatives
- assisting with the maintenance and future development of the liquidity policy and governance framework
- acting as the Group risk expert on internal and regulatory liquidity reporting
- assisting management with ad hoc initiatives

Your experience may include:

- university degree in Business with Finance as a major/minor or a Degree in Finance
- accounting designation or CFA would be an asset
- four years experience in treasury, capital markets, finance/accounting or risk management roles
- strong mathematical skill set and comfort with complex large data sets and pricing models
- strong knowledge of financial markets and instruments
- ability to work independently on multiple tasks and/or projects
- experience in organisational change and process design development
- must have excellent interpersonal and communication skills
- proficiency in Microsoft Office suite of applications particularly Excel
