Chief Financial Officer

Our client, Bermuda Waterworks Limited, a prominent and established service provider of Bermuda, is currently searching for a suitable individual to join their dynamic team and invite applications for the position of:

Chief Financial Officer

The CFO will report to the Chief Executive Officer. The role is a challenging yet rewarding position, dealing with all levels of the company, the board of directors, the public, and customers.

Duties and Responsibilities:

- To ensure company/group maintains accurate and timely accounting records which meet all legal and Bermuda Stock Exchange requirements
- To prepare accounts and statements on a timely basis which accurately record the company's financial position
- To monitor the company's liquidity position on an ongoing basis
- To prepare annual operating and capital expenditure budgets and make annual cash flow projections for the company/group
- Prepare Group's consolidated financial statements on a monthly, quarterly, half yearly and annual basis which comply with all IFRS requirements for a publicly listed company. Prepare other financial and management reports as required
- Prepare annual budgets including group cash flow statement
- Perform Treasury function for group including contact and negotiations with bank
- Manage the accounting and administration departments of the Company, and ensure the accounting and admin departments are adequately staffed at all times
- Staff selection, training and motivation
- Administration including liaison with the company's legal advisors, auditors, insurers, computer hardware and software suppliers
- Occasional international travel to meet vendors/attend conferences

Minimum Qualifications, Skills, and Experience:

- Must have an accountancy qualification to a professional level that includes membership of a recognized accountancy body (ACCA, CA, CPA, ACA)
- Working knowledge of computer based management information systems to enable the company/group to meet its information requirements
- Must be abreast of current legislation and practice in all areas which might affect the financial reporting requirements for the company/group including IFRS and Stock Exchange regulations for a publicly listed company
- Need to be able to lead and motivate people
- Need to be adaptable and able to work well under pressure
- Must be prepared to work long and irregular hours from time to time to meet deadlines
