

## Director of Engineering

The successful applicant will be responsible for all aspects of the engineering department for both the hotel and The Reefs Club. You will be responsible for the proper operation and maintenance and repair of all heating, ventilation, refrigeration and mechanical equipment. Development, coordination and monitoring of a facility, room and club preventative maintenance program will be a priority to ensure safety and comfort of all staff and guests. Supervision, motivation and training of all engineering staff will be a must. Controls of purchasing, ordering, inventories and inspections will be required.

The successful applicant will have:

- At least four years' Engineering management experience in a similar position.
- Vocational training relevant to the Hospitality industry.
- A demonstrable track record in achieving results through team engagement and motivation.
- Experience with air conditioning and lighting control systems.
- A working knowledge of the following:
  - Mechanical, Electrical and Plumbing
  - Local codes and policies
  - Elevators and fire safety systems
  - Mechanical and electrical safety systems
  - Domestic and commercial kitchen equipment
  - Commercial laundry equipment
  - Pool and hot tub maintenance
  - Water treatment and reverse osmosis programs
  - Able to read blue prints and plumbing and wiring schematics
  - Handling of power and hand tools; meters and technical trades
  - Experience in scheduling, prioritizing, budgeting, cost controls, and be able to work under pressure with a well-established team is essential.
  - Computer skills will be an asset along with E-mail and internet experience.

**Abilities:**

- Provide leadership and direction to a multicultural workforce.
- Operate effectively and instinctively within a constantly changing set of priorities.
- Plan and execute capital projects.
- Must be an excellent communicator.
- Clear thinker and perform well under high pressure work assignments.
- Understand and integrate an energy savings mindset into your daily work.

**This position requires flexible availability – required to be on call for evenings, weekends and Public Holidays – please consider this before applying.**

**Closing date: August 30, 2013**

**Previous applicants need not apply.**

***If you are vibrant, possess lots of energy, willing to go the extra mile and have a love of tourism and Bermuda – please apply.***
