## Field Service Manager

Bermuda Energy Services Company Limited (BESCO) requires an experienced Field Service Manager for its expanding controls, UPS and electrical service divisions. BESCO is the Bermuda distributor for Honeywell, APC and Generac.

**The successful candidates will be required to perform the following duties:**

- Lead a diverse discipline of field service technicians in the maintenance, troubleshooting and installation of controls, UPS, standby generators, mechanical and electrical systems in commercial and industrial environments
- Manage small capital projects and recurring service and maintenance contracts
- Be conversant with NFPA 70 NEC 2011 and other applicable electrical codes
- Be able to read and interpret electrical and controls drawings
- Supervise staff and communicate with clients and other trades
- Train and develop other service technicians

**The successful candidate must have the following qualifications and experience:**

- Licensed journeyman electrician with minimum of five years supervisory experience in a lead role
- Factory certifications on Honeywell and Johnson Control building automation systems
- Factory certifications on APC UPS Cooling products
- Industrial PLC, generator, HVAC, and general electrical troubleshooting experience
- Working knowledge of chilled water systems, AHU's, VAV's, VFD's, boilers and generators

The position requires strong written and verbal communication skills. Strong computer skills with particular experience using Visio, Auto Cad and MS Office programs is also necessary. The successful candidate must be willing to work extended hours, nights, weekends and holidays, or as required on a service basis, have a clean driving record and be licensed to operate a small truck.

Remuneration will be competitive with industry standards and commensurate with qualifications and experience. An attractive health and benefits plan will be provided.

Interested? Please email [jobs@expertise.bm](mailto:jobs@expertise.bm).

All enquires will be dealt with in strict confidence.

Closing date: September 3, 2013
