

SENIOR TECHNOLOGIST

Bendell Design has a position open for a qualified senior technologist who is a member of the British Institute of Architectural Technologists or equivalent. Alternatively, the applicant must display evidence of a minimum of 10 years progressive experience in the detailing and preparation of working drawings and construction administration for interior design projects. Strong technical design abilities, experience with AIA contract documentation, MS Project, site administration and knowledge of local fire and building codes is required. A proven ability with AutoCAD 2009 is essential. Overtime work may be required to meet client deadlines.

Closing date 20th September 2013

Applications may be made to Bendell Design at:

P.O. Box MA 131, Sandys MA BX or
