

Bermuda Monetary Authority is committed to attracting and developing the very best people who are dedicated to providing exceptional service.

Deputy Director

Policy, Legal and Enforcement Department

The Bermuda Monetary Authority is seeking the services of a skilled and qualified professional to work as a Deputy Director within the Policy, Legal and Enforcement Department. Reporting to the Director, the successful applicant will be responsible for managing the development of policies, associated consultations and legislation with the goal of meeting international standards in a manner that is proportionate and appropriate for the jurisdiction.

In this key role, the incumbent will be responsible for:

- Engaging the relevant Departments of the Authority to ensure that policies reflect a consensus view of the Executive team and engaging external stakeholders (including trade associations, Bermuda Government, individual financial institutions and service providers) in pre-consultation efforts;
- Developing an annual policy agenda, taking into consideration the needs of the jurisdiction and the industry and changes in or evolution of international standards and best practices;
- Developing productive working relationships with key external stakeholders and serve as a resource to explain the Authority's policy positions (both domestic and international) through speaking engagements and attendance at meetings requested by external stakeholders;
- Promoting the reputation and good standing of the jurisdiction and the Authority as a leading regulator while representing the Authority at industry and regulatory forums, conferences and seminars at the request of the Director.

This position requires a proven technical and business background and therefore the post holder must possess:

- A Master's degree or relevant equivalent qualification in Policy, Public Policy, International Affairs or Business from a recognised university or professional body;
- A minimum of twelve (12) years of relevant post graduate experience of which at least five (5) years should be at a senior level in the area of policy development, international affairs or business. Financial regulatory experience is strongly preferred;
- Strong writing and regulatory drafting skills are essential;
- Exceptional written and oral communication skills, and a strong attention to detail and accuracy;
- Excellent knowledge of relevant international regulatory standards.

The Bermuda Monetary Authority is the integrated regulator of the financial services sector in Bermuda. We can offer the opportunity for broad exposure to international regulatory issues, special projects and a variety of work experience.

If you are looking for a challenging opportunity in a team environment, we invite you to submit your application via our email address at **careers@bma.bm**, including a detailed resume and a completed Bermuda Monetary Authority Application Form, available at **www.bma.bm**. Applications for this position must clearly bear the **Reference 500-003/13** and be received no later than **20th September 2013**.
