

## INVITATION TO TENDER

---

### POTABLE AND NON-POTABLE WATER INFRASTRUCTURE ASSESSMENT AT SOUTHSIDE

---

Proposals are invited from experienced consultants for the above captioned project. The work consists of a complete condition assessment of the current potable and non-potable water supply and distribution systems at Southside, St. George's Parish. The assessment will include the review and analysis of the existing infrastructure, development of a servicing strategy and recommendations for repairs or upgrades.

Full details and a request for proposal will be made available via registration at the Bermuda Land Development Company Limited's reception desk at Triton House, 1 Longfield Road, St. George's Parish, during regular business hours beginning **7th October 2013 to 18th October 2013**.

Completed Proposals must be returned **no later than 3:00 p.m., 25th October 2013**. *Late submissions will be returned unopened.*

Consultants submitting a proposal for this work will be required to provide sufficient information to demonstrate their technical capability to complete the works in accordance with the contract documents. Proposals submitted by consultants who cannot demonstrate this expertise will be automatically disqualified.

Interested parties requiring additional information may contact Mr. Kelly Harris, at 292-1327 or email [kharris@mason.bm](mailto:kharris@mason.bm) for further details.
