Superintendent

Our client, IEL Limited, an excavation and landscaping company, is currently seeking to fill the role of Superintendent. This person will be responsible for ensuring that all construction, trenching and landscaping projects are completed on time and to the required specifications, and that all work is performed to the highest quality.

Minimum Required Qualifications, Skills and Experience:

- Minimum of 3 years' experience in Masonry, including the ability to build walls and read architectural plans
- Minimum of 5 years' experience in commercial landscaping
- Complete knowledge of all plants, pruning and gardening techniques
- Experience with trenching and road works preferred
- 2 years' experience supervising a team
- Proven ability to handle heavy machinery, including road works and trenching equipment
- Must possess a valid heavy truck license
- Willingness to work long hours, including evenings, weekends, public holidays and 24 hour call outs for emergencies when necessary

Applicants will be required to provide at least two (2) written professional references with their application in order to demonstrate the above requirements. Due to the serious nature of the position, applicants will be drug and alcohol tested and followed up with a police check to ensure a safe and productive work environment.
