

Employment Opportunities

The Elbow Beach Hotel, a 98 room cottage colony situated on 50 acres of beautifully landscaped gardens sloping down to our immaculate private beach, is seeking:

Please note that the positions listed below are not required until March 2014.

SHIFT OPERATOR

We require a mature and reliable individual with a minimum of three (3) years experience in Engineering/Maintenance trades. Applicants should hold a technical certificate in a mechanical or electrical trade. The successful candidate will be required to troubleshoot a variety of engineering issues and possess computer skills to operate a computer controlled HVAC system. The incumbent will be required to monitor a variety of machinery and plant including a wastewater treatment facility and a boiler system.

The post will require the person to assist with general maintenance projects. The position requires the individual to respond to hotel guest calls and related emergencies to deal with and reinstate household electrical plumbing and entertainment systems. This position involves monthly rotating shifts 4:00pm to 12:30am and 12:00am to 8:30am and will include weekends and public holidays.

HVAC TECHNICIAN

We require mature and reliable persons with proven experience in the maintenance of kitchen refrigeration equipment, fan coil units, condenser units and exhaust fan systems. The successful candidates must have a technical education from a recognized Vocational Training School with a certificate or diploma in an air conditioning or refrigeration discipline and at least three (3) years practical experience. The person chosen will be responsible for the repair and preventative maintenance of all AC units, maintaining the AC plant, and responding to guest calls and related emergencies and assisting with general maintenance projects. This position will require flexible shifts that include weekends and public holidays.

MOTOR VEHICLE MECHANIC

We require a highly motivated individual with three (3) years experience in a similar position to join our Motor Vehicle Department. The successful applicant must possess motor vehicle trade license maintenance and work in conjunction with our established preventive maintenance program. This will include auto body works, spray painting, and acetylene, plastic, and electric welding. Duties will also include responding to guest calls and related emergencies and assisting with general maintenance projects. This position will require flexible shifts that include weekends and public holidays.
