

Nurse/Receptionist

Busy cardiology office/lab seeking experienced individual committed to patient care and medicine.

Clinical responsibilities include assistance with diagnostic testing, patient evaluation and patient education counselling.

Reception responsibilities include scheduling appointments, preparation and completion of patient charts, insurance claims and overseas referrals.

Preference will be given to candidates with Medi Soft or other medical software experience. Confidentiality is essential.

Please send resume and two references to
Office Manager, P.O. Box DV 265, Devonshire
or email echolab@northrock.bm
