

# CATLIN

## ACTUARY

Catlin Insurance Company Ltd. (Catlin Bermuda) is a member company of Catlin Group Limited, a substantially capitalized, publicly listed Bermuda-based specialty insurer and reinsurer.

Catlin Bermuda invites applications for the position of Actuary. Reporting to Catlin Bermuda's Chief Actuary, the successful applicant will be responsible for:

- Conducting insurance and reinsurance transaction analysis including pricing and risk assessment of incoming submissions for property treaty, casualty treaty, agriculture and financial products
- Developing and enhancing the differing rating models utilized for all lines of business
- Calculate and communicate reserving results to the Chief Actuary and CUO on a quarterly basis;
- Carry out the parameterization for underwriting risk for allocated classes of business within the company;

Applicants must possess the following qualifications and experience: -

- Qualified Actuary (FCAS, FIA, FSA or equivalent)
- Minimum of 5 years experience in an actuarial position including the pricing of commercial insurance or reinsurance in the Bermuda, London, or US markets
- Excellent technical and computer skills including proficiency in Excel
- Have the flexibility to work extended hours and travel overseas when required
- Be able to work on his or her own initiative and operate in a close team, open plan environment
- Be a first class communicator with experience in working with underwriters and brokers

Please apply in writing, with resume and professional references, to:-
