

Bermuda Hospitals Board

Breathless?

**Many people in Bermuda don't know
they have a lung disease called
Chronic Obstructive Pulmonary Disease.**

**Are you one of them?
Find out about COPD and how to treat it.**

**Free lung testing and health screenings
for people over 45 years of age.**

**Friday, 15 November 2013
King Edward VII Memorial Hospital Lobby
10:00am to 2:30pm**

**Call 239-1652 or email
asthma.centre@bhb.bm
for more information.**

Breathe Easy. Live Well!
