

MARSHALL DIEL & MYERS LIMITE

Invites applications for the position of **COMMERCIAL LITIGATION BARRISTER & ATTORNEY**

We are seeking a Senior Barrister & Attorney to join our Litigation & Advice Department whose responsibilities will include managing the practice area of reinsurance and insurance disputes.

The ideal candidate will:

- have a minimum of 7 years' post-qualification experience of substantial commercial litigation, with an emphasis in reinsurance and insurance disputes
- proven record in high level contentious litigation and arbitration and the proven ability to take carriage of a matter from start to finish
- experience in general corporate and commercial matters and dealing with corporate and regulatory issues relevant to the reinsurance and insurance practice
- experience in training pupils and junior associates
- have strong problem-solving, organizational, drafting and research skills
- proven client relationship, communication, supervisory and interpersonal skills
- be able to work independently with a strong work ethic and a commitment to excellence
- excellent marketing skills and proven ability to develop new business
- possess a collegial and team-oriented approach to the practice of law
- competence in the use of standard office systems (e.g. Microsoft Office Suite)

The Firm offers a friendly work environment with competitive salary and benefits.

Applications with a detailed resume and evidence of qualifications may be submitted for consideration as follows:
