VICE PRESIDENT, GENERAL CASUALTY

The successful candidate will be responsible for the management and profitable growth of a large portfolio of Excess Casualty business.

Responsibilities Include:

- Perform account analysis according to underwriting guidelines which include thorough review of underwriting application/submission, research via on-line services, reviewing requested terms and conditions including underlying policy forms when issuing on a follow-form basis, liaising with other Company departments to establish full understanding of risk exposures and completion of underwriting worksheet.
- Develop account pricing
- Perform referrals (as required) with other VP's, Bermuda Casualty Manager and Product Line Manager
- Liaise with the Actuarial Department to develop premium benchmarking and pricing models
- Authorize quotes, binders and invoices in accordance with company guidelines.
- Responsible for timely and correct issuance of bound policies
- Create manuscript endorsement wordings for authorization by Bermuda Casualty Manager or AW Legal
- Provide direction to the AVPs, Sr. Underwriters, Underwriters, and Underwriting Assistants in the timely processing of Policy/Endorsement wordings
- Maintain underwriting files in an orderly manner and in accordance with the underwriting guidelines
- Market and effectively service existing and potential insureds and production sources.
- Achieve the Department's performance objectives
- Follow underwriting guidelines and rating mechanisms
- Assist in the development of Department underwriting guidelines and new products in conjunction with Bermuda Casualty Manager & Product Line Manager
- Attend client/broker meetings, lunches, dinners and other social outings as applicable.
- Act as a referral point, based on your existing underwriting authority, for other members of the Department
- Represent the company at overseas industry conferences
- Represent the company at overseas client site visits
- Other duties as may be assigned

Education, Skills and Experience:

The successful applicant will preferably have the following:

- University degree in Business or similar field
- Minimum of 10 years of experience underwriting lead umbrella through upper layer Excess Casualty
- Minimum of 5 years of experience underwriting primary commercial Insurance placements for Auto Liability and General Liability
- Strong understanding of ISO forms, Bermuda Market forms, London forms, and manuscript wording, inclusive of occurrence reported, claims made, and occurrence wordings
- Significant experience dealing directly with senior brokers in Bermuda and London and risk managers, as well as with Company claims, legal, and actuarial staff
- Familiarity with primary loss history analysis, loss rating and primary rating methodologies
- Strong marketing, negotiating, and presentation skills
- Knowledge and experience in working with Microsoft Office Suite (Word, Excel and Outlook)
