Bermuda Charity #4

The Altrusa Club of Bermuda was formed on January 3, 1948 at the Inaugural dinner at the New Windsor Hotel (now Windsor Place) to focus on supporting various charitable needs within the local community. Along with over 400 clubs worldwide it is part of Altrusa International which was founded in 1917. The name Altrusa reflects our guiding principle of altruism and the organization's origin in the U.S.A.

The Altrusa Club of Bermuda is a registered charity which focuses on literacy and community. Proceeds from fund raising activities are used to fund an annual Reading Clinic scholarship, literacy focused projects and several community programs supported by the club.

During the past five years funds raised have assisted in jumpstarting refurbishment of the libraries at the following schools: St. George's Prep, Northlands Primary, Heron Bay Primary, Dalton E. Tucker Primary, East End Primary, and most recently Victor Scott Primary. Donations have also been made to Southampton pre-School, Somerset Primary and West End Primary. In service to the elderly the Altrusa Club hosts an annual schedule of individual rest home teas and participates in the Adopt a Senior program.

For further information or to make a donation to our literacy projects contact: Altrusa Club of Bermuda, P.O. Box DV 531, Devonshire DVBX.
