

CATALINA HOLDINGS
(BERMUDA)
LTD

Group Financial Controller

Established in 2007, Catalina Holdings (Bermuda) Ltd. is a successful consolidator of insurance and reinsurance businesses and portfolios in run-off. Catalina has total assets of in excess of \$1.5 billion and expects to continue to grow rapidly over the next few years. Catalina maintains a head office in Bermuda as well as offices in London, New York, Denver, Dublin and Pfaffikon; Switzerland.

Catalina is seeking a Group Financial Controller, responsible for all internal and external financial reporting. The role reports to the Group CFO.

Key Responsibilities Include:

- Managing the Bermuda based finance team responsible for the Group financial and management reporting;
- Managing the preparation of monthly consolidated financial statements and management reporting pack for the Group;
- Managing the preparation of annual U.S. GAAP financials for the Group and statutory returns for the Bermuda entities;
- Managing the quarterly debt compliance reporting for the Group;
- Coordinating the financial close process of the Group;
- Managing the annual budgeting process for the Group;
- Managing the external audit process including liaising with external auditors for the completion of the annual audits of GAAP and statutory financial statements;
- Monitoring regulatory and FASB developments;
- Performing technical analysis and research to assess the accounting implications for non-routine transactions;
- Overseeing the accounting, administration and coordination of claims and loss reporting with actuaries, brokers and claims handlers; and
- Performing any related duties that may arise.

Candidate Profile:

- CA, CPA, ACA or equivalent internationally recognized accounting qualification;
- A minimum of seven years post qualifying work experience in the insurance or reinsurance industry with a minimum of three years at a supervisory level;
- An excellent understanding of reinsurance/insurance accounting, run-off management, commutations, claims and reinsurance contracts;
- Advanced Excel spreadsheet skills;
- Extensive knowledge in preparing financial statements and US GAAP accounting and disclosure requirements;
- Detailed knowledge of Bermuda regulatory reporting requirements;
- Experience in Kypera GL systems and reinsurance underwriting systems would be preferred;
- Strong organizational and analytical skills;
- An eye for detail and ability to prioritize and manage a range of tasks; and
- Willingness to work evenings and weekends as needed.
- Catalina offers a competitive salary, a comprehensive benefit package and an opportunity to get fast tracked in-depth exposure to the reinsurance industry.
