Investment Associate

Our client, Maritime Finance Company (MFC), is a newly incorporated specialty finance company in Bermuda. The Company is an asset based lender focused on Maritime assets. The Company originates, structures and invests in debt financings secured by high quality assets.

MFC currently requires the immediate services of an Investment Associate. Reporting to the CEO, the Associate will identify deal sourcing opportunities and suitable financing structures, as well as sourcing and originating loan transactions in oil field services and shipping. The Associate will perform comprehensive reviews of the maritime sector industry dynamics and develop and review valuation models for maritime assets and entities.

Minimum Qualifications, Skills & Experience:

- Bachelor's Degree attained from an Ivy-League or comparable university
- 3 years investment banking/leveraged finance experience at a top tier investment bank
- 2 years demonstrated experience with loan origination funds and collateralized loan obligations
- 2 years experience at a top tier private equity firm
- Experience working with industrial and maritime assets and entities preferred
- Proven analytical and problem solving skills

Interested? Please email jobs@expertise.bm.

All enquiries will be dealt with in strict confidence.

Closing date: January 6, 2014
