Ministry of Legal Affairs

NATIONAL COORDINATOR

PS46 \$171,893

Ministry Headquarters, National Anti-Money Laundering Committee Office

Job Number: DHR00229 (870035)

Applications are invited for the post of National Coordinator, within the Ministry Headquarters, National Anti-Money Laundering Committee Office.

Working under the direction of the Permanent Secretary in accordance with the relevant legislation, international standards, and ministerial policies and procedures, the National Coordinator, is accountable for leading the development of national policies; and relevant legislative and operational initiatives in relation to Anti-Money Laundering and Anti-Terrorist Financing (AML/ATF) matters that are consistent with Bermuda's risk assessment and complaint with global standards.

Applicants must be a Barrister and/or Attorney of a Commonwealth jurisdiction and must be a member of the Bermuda Bar Association. In addition, applicants must have a minimum of ten years relevant post-qualification experience in all aspects of the AML/ATF and/or regulatory framework, with at least five of those years at a senior level.

Additionally, applicants who possess the following qualification or the equivalent would be considered for the post in lieu of being a Barrister and Attorney of a Commonwealth jurisdiction and a member of the Bermuda Bar Association.

- A Masters degree in Business or the equivalent together with a minimum of ten years relevant post-qualification experience in all aspects of the AML/ATF and/or regulatory framework in a senior management position supervising legal personnel level or
- An LLB together with a minimum of fifteen years relevant post-qualification experience in all aspects of the AML/ATF and/or regulatory framework, with at least ten of those years in a senior management position.

Short-listed applicants will be required to undergo a skills assessment.

Previous applicants need not apply.

Closing Date: 22nd January 2014

The Cabinet Office

MANAGEMENT CONSULTANT

PS 36 - 38 \$113,480 – \$122,064

Cabinet Office

Job Number: DHR00227 (090068)

The Management Consulting Section of The Cabinet Office seeks a qualified individual with a strong business consultancy background, for the challenging and comprehensive post of Management Consultant. The post holder works as an internal consultant to Government Ministries, Departments and Agencies to provide a broad range of business consulting and regulatory services. The post is responsible for assisting management to maximize their performance by providing analysis of existing business problems and development of implementable solutions for improvement.

The successful post holder must possess a Master's degree or equivalent qualification in Business or Management Science with a minimum of five years' relevant work experience.

The post holder must demonstrate the ability to analyze, make evidence based recommendations, and assist clients with meeting their strategic, operational, and functional goals as well as assessing and proposing resource allocation and organizational structures for Government Ministries, Departments and Agencies.

Closing date: 22nd January 2014

Ministry of Education and Economic Development

SENIOR MANAGER – BUSINESS DEVELOPMENT UNIT

PS42 \$144,319

Ministry Headquarters

Job Number: DHR00252 (950015)

Working under the direction of the Permanent Secretary this post is accountable for the coordination, development and implementation of policy, legislative and administrative programmes relating to International Business. The post has three main strands relating to the progression of appropriate legislative change; the implementation of the business concierge service; and the gathering and analysis of pertinent statistics, data and intelligence. The post is also accountable for managing and administering the operational, financial, planning and budgeting functions within the Unit.

Interested applicant must possess a minimum of a Master's degree in business, economics or law or an applicable internationally recognized professional designation in a related discipline is required. The post requires a minimum of 5 years' relevant experience in a senior management position within government or international business. Experience in policy and legislative development, research and data analysis as well as project management, are desired.

Previous applicants need not apply.

Closing date: 22nd January 2014

DIRECTOR

PS43 \$150,761

Department of Telecommunications

Job Number: DHR00105 (460009)

This post offers an exciting opportunity for an energetic and experienced person to take a lead role in the Ministry of Education and Economic Development.

Working under the direction of the Permanent Secretary, the Director of Telecommunications is accountable for coordinating, developing and implementing policy, legislation and programmes in respect of telecommunications services that are aligned with the Ministry's strategic objectives and goals. The Department of Telecommunications acts on behalf of Government to recommend policies and resolve issues/concerns affecting telecommunications in a pro-active and cost effective manner, in accordance with the Telecommunications Act 1986 and associated regulations.

The post holder is accountable for the management of the Department with a view to providing high quality advice and direction on telecommunication matters, managing resources, strategically developing the associated services and achieving efficient service delivery. The post holder is also accountable for managing and administering the operational, financial planning and budgeting functions of the Department. The Director will be the primary liaison for the Ministry with the Regulatory Authority for all matters relating to telecommunications.

Interested applicants must possess a Master's Degree or equivalent in Business, Technology, Management or a related discipline, together with a minimum of 10 years' relevant experience in a senior management position within a telecommunications administration related business or regulatory department of a telecommunications carrier. Experience in policy and legislative development, as well as business development and marketing is also required.

Applicants who possess a Bachelor's Degree in Business or a related discipline together with 15 years' relevant post-qualification experience as stated above will also be considered.

Short-listed applicants will be required to undergo a skills assessment.

Previous applicants need not apply.

Closing Date: 22nd January 2014
