

Our client – GE Financing CV invites applications for the position of:

# Financial Accountant

General Electric Financing C.V.; an international financing and holding company, is part of the worldwide General Electric group of companies. The Bermuda office is looking to recruit a Financial Accountant to join the team.

Operating in a fast-moving and complex environment, the successful candidate will be responsible for assisting in the statutory and US GAAP financial reporting for all of the entities related to the Bermuda operations.

#### ***Key Responsibilities will include to:***

- Provide Financial, Planning & Analysis, and Transactional support for all Bermuda entities;
- Maintenance of intercompany loan portfolio;
- Assist in monthly/quarterly reporting and the setting of forecasts for the Bermuda portfolio;
- Assist in the annual statutory audit and any internal audits;
- Involvement in preparation of treasury cash settlement documents;
- Involvement in the monthly and quarterly account reconciliation process for all entities in the platform including preparation and review if required;
- Assist with office administration including Accounts payable management; and
- Preparation of ad-hoc financial reports by collecting, analyzing and summarizing account information where required.

This is an excellent opportunity to join an international finance company in a role that will involve interaction across the group, particularly with corporate leadership and group taxation teams. The role could be suited to qualified accountants with appropriate experience from a range of backgrounds, including professional accounting firms or the financial services industry.

#### ***Qualifications/Requirements***

- A professional accounting designation (CA, ACCA or similar);
- A minimum of two years post qualifying accounting and financial management experience;
- Advanced working knowledge of MS software;
- Ability to communicate effectively and efficiently with colleagues and clients and work under minimal supervision whilst meeting deadlines;
- Willingness to work long hours, including weekends and public holidays, where necessary to achieve business objectives;
- Experience analyzing and interpreting written material and quantitative data to draw conclusions; and
- Excellent organizational and interpersonal skills as you will work closely with Senior Tax and Corporate Leadership Teams

#### ***Desired***

- Oracle and/or SAP experience would be highly beneficial
- Experience with Intercompany and Foreign Exchange transactions

#### ***Interested persons should apply by sending a resume in confidence to:***
