

Actuarial Analyst

Oil Management Services Ltd. has an opportunity for a dynamic individual to join our team in the position of **Actuarial Analyst** reporting to the Senior Vice President & Chief Actuary. This position requires an individual who has a strong mathematical and analytical background with the aptitude and competence to work with minimal direction.

Responsibilities will include the following:

- Provide analytical support to the Actuarial Department on a daily basis.
- Contribute to the development/enhancement of OIL and OCIL's proprietary loss models, pricing models and dynamic financial analysis (DFA) models.
- Provide analytical support in the reinsurance renewal process (inward and outward reinsurance).
- Maintain OCIL's aggregation monitoring tools and create and distribute management reports of OCIL's catastrophe and non-catastrophe risk.
- Assist in projects to improve the catastrophe modeling workflow, automate processes and increase operational and reporting efficiencies.
- Work with various departments to gather data needed to populate rating agency and regulatory capital models.
- Other related duties, as required.

Applications are invited from persons with the following qualifications and experience:

- An undergraduate or graduate degree in Actuarial Science, Mathematics, Statistics or Finance.
- A minimum of two years related work experience within the (re)insurance sector including basic understanding of the property catastrophe market.
- Successful completion of at least two actuarial exams with a commitment towards attaining ACAS or FCAS.
- Strong spreadsheet and database application skills.
- Excellent verbal and written communication skills and the ability to clearly express oneself.
- Ability to work to high standards, with minimal supervision.

If your experience, talents and ambitions match our requirements, we want to hear from you. OMSL is an equal opportunity employer and is committed to training and developing its employees.

Please apply in confidence and in writing, including your resume and a detailed cover letter setting out why you are a good fit for this role, by email to:
