Senior Corporate Accountant

Finance

Closing date 7 February 2014

HSBC Bank Bermuda Limited is seeking a qualified Senior Corporate Accountant to provide local and group management with accurate and timely accounting information and to maintain and develop accounting systems and procedures to ensure adequate accounting and control for various accounting functions and reports.

Major responsibilities

- Production of monthly, quarterly and annual financial reporting for management including trend and variance analyses, commentaries and profitability reports for customer groups, products and divisions
- Participating in formulating income and expense budgets and forecasts. Consolidating and summarising profit and loss and capital expenditure budgets
- Production of external regulatory reports and consolidation reports in line with very tight deadlines
- Providing business decision support and providing value added analysis to business partners
- Developing clear and informative methods of presenting financial data and undertaking special projects and studies of a financial nature
- Supervising, developing and/or training staff and business partners when required

Minimum qualifications

- Bachelor's degree and an internationally recognised accounting qualification (e.g. CA). CFA designation or graduate degree would be an advantage
- Four to eight years post qualification experience including two years audit experience
- Minimum three years financial services industry experience with banking experience preferred
- Advanced knowledge in Excel spreadsheet development, accounting controls, budgeting, financial analysis and consolidations
- Demonstrated experience in the application of the following topics within the financial services industry: investment and fee accounting, cost/benefit analysis, reconciliation's, interest analysis, financial controls
- Demonstrated knowledge in the application of BIS reporting including Basel 2 and the application of International Financial Reporting Standards (IFRS) in a financial service industry context
