## Chief Financial Officer

As part of its international growth strategy, Legal & General, a major UK savings, pensions, annuity and asset management group, has recently incorporated Legal & General Reinsurance Company Ltd., a Bermuda reinsurer.

The Chief Financial Officer will report to the Managing Director and be responsible for the finance function within the Company including the control and maintenance of all accounting, financial reporting systems and processes, the delivery of financial reporting to the BMA and Group. The Chief Financial Officer will also be responsible for risk management strategy and compliance for the Group.

This is an exciting and unique opportunity to be part of a start-up company within the secure environment of an international organisation. The successful candidate will be a qualified accountant with senior management experience including the oversight of budgeting, cost control, business planning, capital management and insurance accounting for conventional annuity (or similar) business.

All applications will be held in strict confidence.

Enquires should be directed to Claudia Phillipsz-Jones on 278-3077 or [claudia@expertise.bm](mailto:claudia@expertise.bm).
