Financial Controller

Our client, Swiss Marine Corporation Ltd., a growing and dynamic vessel chartering and freight trading company located in Bermuda, is seeking a strong performing Financial Controller.

The Financial Controller will serve as a member of the accounting team, reporting into the CFO and will carry out the financial management and oversight of daily trading operations.

Key Responsibilities and Tasks:

- Review and approval of daily payments
- Management of daily processing tasks, payments to suppliers, receivables outstanding, and internal reconciliations
- Management of the cash cycle, preparation of cashflow projections
- Compilation and review of weekly cashflow position and market report key stakeholders
- Preparation of the monthly financial reporting packages
- Oversight of the Group's hedging position, regular risk analyses and monitoring of exposure
- Management of the general ledgers and processing of the required bookings
- Co-ordination with Group companies, compliance with local tax requirements

Minimum Qualifications, Skills, and Experience:

- Recognized professional accounting designation (i.e. CA, CPA or equivalent)
- 3 years post qualification experience, ideally with some tenure in a senior finance role
- Able to demonstrate a good understanding of International Accounting Standards and IFRS
- Experience and solid understanding of the freight shipping market is preferred
- Proven track record in accounting of financial instruments such as commodity forwards and swap products along with a basic knowledge of hedge accounting
- Advanced Microsoft Excel skills and strong analytic capabilities (skills testing may be required)
- Demonstrated ability to solve problems and offer solutions-based recommendations
- Superior communication, prioritization, and organization skills

To apply please send your resume to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquiries will be dealt with in strict confidence.

Closing date: March 7, 2014
