

MSIG | MS Frontier Re

MS Frontier Re seeks a Specialty Underwriter

As a member of the senior underwriting team the company is seeking an outstanding individual for the role of Specialty Underwriter.

Key roles and responsibilities:

- Manage a portfolio of Non Catastrophe Specialty Treaty business.
- Aid in the production, analysis and underwriting decisions of a Non Catastrophe Treaty Specialty portfolio.
- Verify and assess the validity of reinsurance submissions, ensuring they meet the underwriting guidelines of the company.
- Maintain and expand relationships with clients and brokers initially in Europe.
- Review, evaluate and report on loss activity to the Head of the International Account/CUO.
- When requested, assist in the underwriting of the International Catastrophe account.
- Undertake significant travel and interaction with clients/brokers.
- Strategic reporting and communications to Head of the International/CUO.
- Investigate new opportunities in the European region.
- Aid in the development of short and long term business plans in liaison with Head of International/CUO.

The role of Specialty Underwriter is a challenging position requiring proven underwriting, marketing and operational capabilities. The successful candidate will need to demonstrate the following required skills and experience:

- University degree in a related field is advantageous.
- A minimum of 10 years underwriting experience in the Reinsurance market.
- Detailed knowledge of Property, Engineering, Marine, Motor, Personal Accident on an excess of loss and pro rata basis.
- Experience in structuring and pricing reinsurance products.
- Previous experience in an accounting back office role would be a distinct advantage
- A strong reputation in developing relationships with clients and brokers.
- Excellent analytical, communication and interpersonal skills.
- Excellent verbal and written communication skills, together with the ability to work well in a small team environment;
