

WEB DEVELOPER AND TEMPLATE MANAGER

The right individual for this role must be a motivated and energetic developer and graphic designer, who takes initiative, enjoys finding solutions to a varying number of challenges, is detail-oriented, and takes extreme pride in their work. If you thrive by leading your solutions to successful completion, consider this opportunity as the next level in your professional development.

Responsibilities

The primary responsibility of the Web Developer Administrator is to write coding for our online website. Other responsibilities include testing websites, providing support and performing maintenance tasks such as repairing bugs and errors, as well as developing workarounds.

Secondary responsibility is to work closely with the Web Graphic Designer to provide creative development and design services to clients and The Royal Gazette Ltd. Develop innovative and consumer-engaging concepts and designs that adhere to and help build our clients' strategies and brand.

Skill Requirements

- Must have a minimum of 5+ years of experience in Online Interactive Design and Graphic Design experience
- Thorough knowledge of HTML5, XHTML, JQuery, Javascript, ASP.Net, PHP, C++, C#, AJAX, SQL, Joomla and Wordpress
- Must have complete knowledge of CMS (Saxotech Online) templates
- Must have working knowledge of print and online publishing
- Candidates should have solid understanding of Object Oriented Design and Programming
- Well-rounded understanding of graphic design, information architecture, usability, web technologies, interactivity guidelines, and experience design
- Thorough knowledge of desktop publishing, web, mobile and other digital channels and be fully conversant with the industry's standards
- Working knowledge of capabilities of different operating systems, platforms and browsers, and their design constraints on the web
- Ability to manage multiple projects simultaneously
- Widget design experience a plus
- Must be able to resolve various issues independently in a timely and diplomatic fashion
- Must be comfortable interacting with upper management
- Be willing to work long hours, public holidays and weekends, as needed

Education Requirements

- Must have a Bachelor's Degree or higher in Management and Information System. Graphic Design and Digital Media Design a plus.

The Royal Gazette Ltd. is an equal opportunity employer.
