

NOTICE

To Our Valued Customers

WE WILL BE MAKING UPGRADES TO OUR SATELLITE RECEIVERS MARCH 26 - APRIL 3

SOME SIGNAL INTERRUPTIONS WILL OCCUR

In order to bring you more services and increased system reliability, CableVision will be upgrading its satellite receivers from March 26 – April 3. During this week of maintenance, it is possible that any of our channels may go dark for a moment or two while we make the change-over to new receivers. However, **the following channels may experience some signal interruptions for prolonged periods** during the maintenance window:

RTP

Internacional America

Rede Meio Norte

SportsMax/SportsMax 2

ESPNI/ESPN2I

Discovery Home & Health Latinoamerica

CNN International Latin America

CNNI/CNNH

TV 5 Monde Latina

BBC World News Americas

Enlace TBN

France 24 English

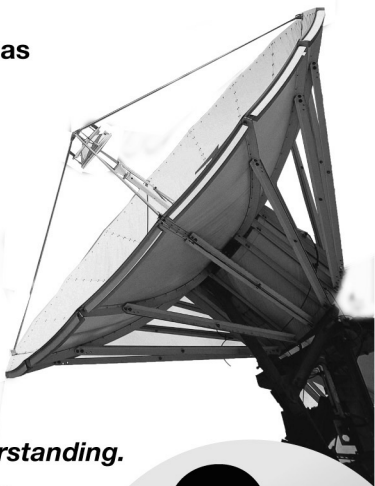

Rai Italia 1

ESPN HD

We apologise for any inconvenience this may cause. These upgrades will allow us to better serve you and we ask for your patience during the maintenance.

Thank you for your understanding.
