Ministry of Public Works

CIVIL ENGINEER, STRUCTURES
PS 32 - 34 \$99,048 – \$105,765
Works and Engineering
Job Number: DHR00300 (820082)

The successful post holder works under the general direction of the Principal Civil Engineer, Structures to manage the planning, design and construction of civil engineering works with a structural bias including preparing tender and contract documents, site supervision, investigations and feasibility studies. The post holder also ensures that functional requirements and performance specifications for projects are met.

The successful post holder must have a recognized Bachelors Degree in Civil Engineering and must be a Chartered or Professional Engineer (CEng, PEng or equivalent) with corporate membership with the Bermuda Association of Professional Engineers or equivalent professional body overseas. The successful post holder must also possess a minimum of three years' relevant post professional qualification (CEng, PEng or equivalent) in mainstream Civil Engineering with an emphasis on Structural (including Building), Marine and Bridge Engineering. Experience with structural engineering computer aided design and analyses software is also required.

Closing date: 9th April 2014

Ministry of Education

EDUCATION OFFICER, CURRICULUM - PHYSICAL EDUCATION AND HEALTH
PS 33 - 35 \$102,055 - \$109,429 (under review)
Education
Job Number: DHR00050 (170923)

An exciting opportunity exists in the Department of Education for an individual who has the ability to design, develop and implement subjects/curricula across all phases A-D (preschool to senior school) in the education system and to conduct research on curriculum and instructional issues as a means of ensuring that the education system is kept current in all areas of curriculum content, instructional practices and topical research. In addition, the Education Officer, in consultation with the Research and Evaluation Section, is responsible for designing, developing, scoring and analyzing system-wide tests based on the local curricula as well as assisting in the analysis of data from standardized commercially produced system-wide assessments. The post-holder also assists school-based personnel in the design, development and use of school-based assessments and participates in the professional development of teachers.

The successful post-holder must possess a Masters Degree or equivalent in the relevant subject area and must have completed coursework in curriculum development and assessment and/or administration. The post-holder must also possess a minimum of five years teaching experience at a variety of levels including three years administrative experience, along with a license from the Bermuda Educator's Council is required.

Closing date: 9th April 2014

EDUCATION OFFICER, READING
PS 35 - 37 \$109,429 – \$117,690 (under review)
Education
Job Number: DHR00319 (171188)

An exciting opportunity exists in the Department of Education for an individual who has the ability to manage the development and implementation of reading programmes and curriculum for teachers and students in all Government schools. The post holder also trains teachers and administrators to implement reading programmes and curriculum, including intervention programmes and monitors the implementation of these programmes and curriculum. The post holder is responsible for developing assessments in consultation with the Research and Evaluation Section. In addition, the post holder is directly responsible for the supervision and evaluation of the Resource Teacher(s) for the Reading Recovery programme.

The successful post holder must possess a Master's Degree in Reading or a related field, with courses at the post graduate level in reading intervention or the equivalent. In addition a post-graduate certification in the Reading Recovery programme is required. The post holder must also possess a minimum of seven years teaching experience, with experience in a post of responsibility or other administrative/leadership with experience, along with a license from the Bermuda Educator's Council is required. Certification and experience in providing training to adults is required. Experience in the collection and analysis of statistical data is required.

Closing date: 9th April 2014

EDUCATION OFFICER, SOCIAL STUDIES
PS 33 - 35 \$102,055 - \$109,429 (under review)
Education
Job Number: DHR00053 (171184)

An exciting opportunity exists in the Department of Education for an individual who has the ability to develop, implement and administer the social studies programme in the school system. The post holder is also responsible for conducting research on curriculum and instruction issues, for developing curriculum, for preparing assessment materials and providing for the professional development of school staff in the area of social studies.

The successful post holder must possess a Master's Degree or equivalent in social studies or a related area. The post holder must also possess a minimum of five years of teaching and administrative experience along with a license from the Bermuda Educator's Council is required.

Closing date: 9th April 2014

Ministry of Tourism Development and Transport

FLEET MANAGER
PS 36 – 38 \$113,480 – \$122,064
Marine and Ports Services
Job Number: DHR00332 (300037)

Under the direction of the Director of Marine and Ports Services, the post-holder is accountable for the efficient and effective management of engineering and technical support services for the Department of Marine & Ports Service's fleet of vessels (i.e. Tugs, Tenders, Ferries, Pilot and Rescue boats, etc.). Such work will be undertaken in accordance with all appropriate marine legislation, regulations, international conventions and industry best practice in relation to fleet maintenance and repair, while balancing such work against operational priorities.

The post-holder will be responsible for the management and provision of nautical training and development programmes for staff and will be accountable for all expenditure and budget preparation work; administrative and human resources management duties; and the overall supervision of section staff (i.e. BPSU and BIU staff).

The successful post-holder must possess a Class One Engineering Certificate of Competency in Engineering and be an incorporated member of IMarEST (Institute of Marine Engineering, Science and Technology). A minimum of five years' relevant post-qualification management and supervisory experience in marine operations, inclusive of managing technical and engineering marine services (e.g. managing the provision of planned maintenance services).

Closing date: 16th April 2014

Ministry of Health and Environment

SPEECH-LANGUAGE PATHOLOGIST
PS 31 – 33 \$95,503 – \$102,055
Health
Job Number: DHR00337 (220369)

The Speech-Language Pathologist works under the general direction of the Team Coordinator to provide community based speech and language services to pre-school and school-aged children and seniors.

The post-holder must possess a Masters degree in Speech-Language Pathology. The post-holder must also be registered with the Allied Health Professions Council. A minimum of three years' post qualification experience, including experience working with young children is required for the post.
